Referral Program at Directive

💡 Directive has one of the most lucrative referral programs of any marketing agency in the world. Qualifying employees are able to collect a higher percentage of revenue than our sales team plus potentially win weekly and monthly bonuses based on their referral activity.

Overall Process

So you have a referral that you're excited about…now what? There should be two types of referrals and we have two ways to handle them:

1. If the referral is being generated via an existing customer - share it with the Client Partner that has a relationship with that client. They will be your salesperson tag-team partner to get the deal done!
2. If the referral is coming from someone outside of your current portfolio - share this opportunity with Jesse Seilhan and he will assign you a salesperson to tag-team this opportunity with!

In both cases, follow this method:

- Secure the best email address for the prospect
- Email Jesse Seilhan - jseilhan@directiveconsulting.com - with the following Subject line:
    - Referral - COMPANY NAME - YOUR NAME
    - Ex: Referral - Nike - Jesse Seilhan
    - The email should contain the email address of the person Jesse should reach out to as well as context for the reach out (What service line, how you know them, and any details you can give about the potential engagement)
- Fill out the form (steps below) using a screenshot of this email as your proof
- Jesse will assign the referral to the Client Services team to follow-up

Who Should I Be Referring?

The best type of fit would be a company that fits within our normal target audience, namely:

- Technology Companies
- Software Companies
- Insurance Companies
- Companies with an employee size of over 50
- Publicly traded companies

As for humans, people who are in the marketing department are the best fits, but those in “growth” or “revenue” specific roles are also a great fit for us.

NOTE: If the fit is entirely not right, your submission may be disqualified. For example, if you suggest someone at a company too small or too outside of our wheelhouse.

Filling Out The Form

NOTE: You must have connected your prospect with Jesse or the CP before you can submit the form and receive credit for the referral.

Head HERE to fill out the form, where you need to provide:

- Your Name
- Prospect Name
- Date
- Proof of Referral

Referral Bonuses

Every week, we give $500 USD to the person who had the most referrals the week prior (Tuesday PM to Tuesday AM, with Office Hours being the cutoff).

Submitting yourself is simple:

- Fill out the form to prove that you've initiated a referral conversation and you are entered to win our weekly and monthly bonuses.
- That proof can be a Gong call, a Slack/email/LinkedIn message, or something else that shows that **you actively connected someone in your network (client, friend, family, vendor, etc.) to a salesperson on our team.**
- Once verified, your name gets added to the tracker. If you have the most in one week, you get $500. If we don't have a clear winner (ie a tie or nobody submits any that week), we add $500 to the following week's bounty and will continue to do so until we have a winner.
- At the end of each month, the person with the most referrals will win an additional $1,000!
    - All Bonuses at Directive are paid out the month after the end of the Trimester (taxes will be deducted).

Referral Payouts

For every referral submitted that makes its way to a Proposal Given, you will receive $500.

If that Opportunity becomes a Closed Won deal, you will receive 3% of the total contract value.

For example, if you refer someone who ends up signing a $10k/mo SEO contract for 12 months, your payout will be:

- $500 for the proposal
- $3,900 for the final deal ($130,000 contract value x 3%)

For a grand total of $4,400!

Payouts come at the end of each Trimester and you must remain employed at Directive until that time to receive your bonus. See below for Disbursement dates for each Trimester.

Trimester Payment Schedule		
Trimester Start Date	**Trimester End Date**	**Disbursement Date**
January 1st	April 30th	May 31st
May 1st	August 31st	September 30th
September 1st	December 31st	January 31st

Referral Program For Clients/Network

We also want to reward our clients and those in our network for sending business our way! We do that by rewarding them in multiple ways:

- If someone you know refers someone to us and we end up delivering a proposal, that person will receive a **$250 gift card.**
- If that deal closes, we send over another **$250 Gift Card PLUS we donate $500 in their name!**
