WE CARE ABOUT YOU.

Directive has the hardest working culture in the performance marketing world.

ANNIVERSARY TRIP

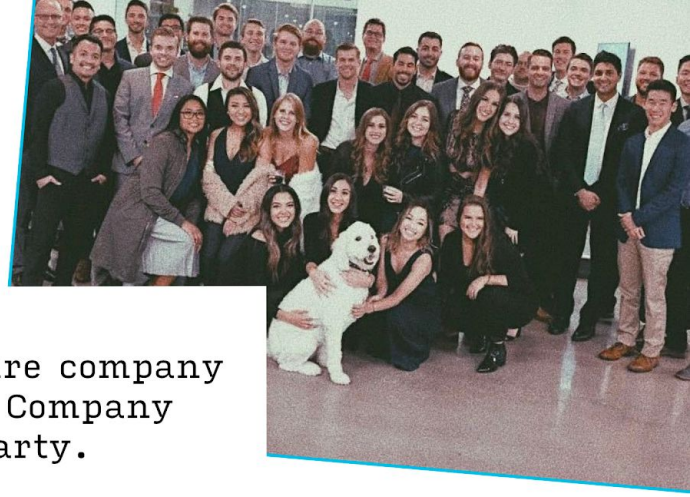

WE BELIEVE IN HUMAN CONNECTION.

We marginalize the humanity of the people we work with when we are limited to Zoom as the driver of our relationships.

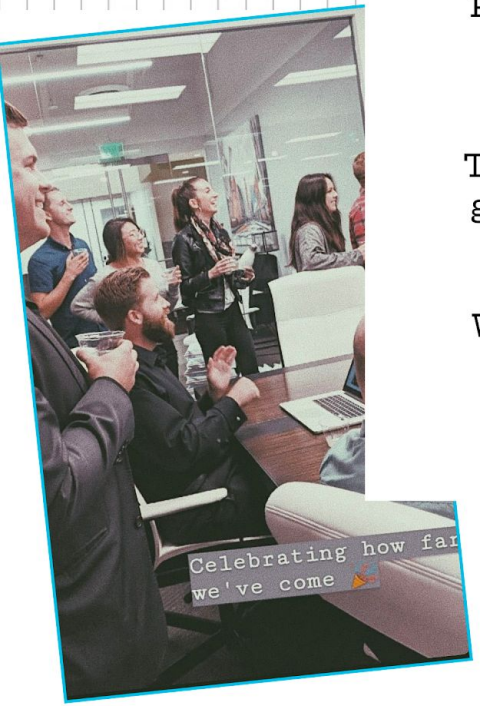

We want to fully embrace the benefits of remote work, without ignoring the need for an in-person relationship with each other.

Pre-Covid, even with remote, the entire company joined together each Christmas and Company Anniversary for an in person party.

These were great milestones in the year where we got to celebrate all our hard work and enjoy each others company.

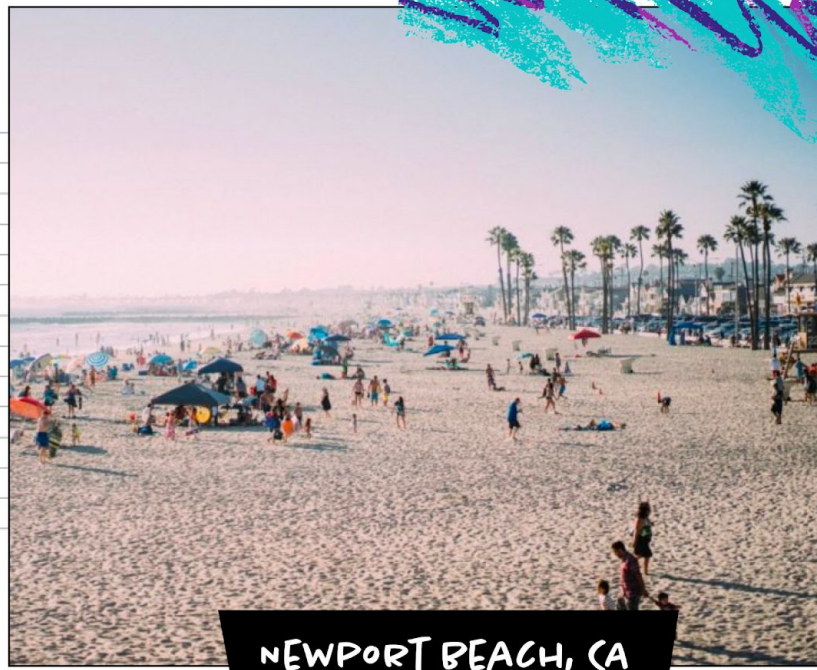

We are proposing that we do this again, but this time in recognition of those who had anniversaries at Directive.

WHAT IS THE TRIP EXACTLY?

- One trip every trimester.
- Only for employees that had an anniversary in that Trimester.
- Fly team out to Newport Beach, CA
- Company pays for flights, hotels, meals, and activities.
- Overlaps with Executive Retreat so team gets to meet leaders.

Target Dates = Late April/Early May

NEWPORT BEACH, CA
